NOTES

DATE – DAY – TYPE header is frozen in this version but may be customized for your use
This Calendar is a continuing work in progress, subject to ongoing updates

Columns include event date/days, revisions @, type, name, organizing body, description, location, etc.

Events/locations in RED are provisional. Check web-link before making irreversible travel plans.

Notations within the text or date, shown in BLUE, are the latest reason for any changes.

First column (outside margins) will indicate "T" for tentative items; "F" for future years. When confirmed, first column will be blank.

A column with revisions is noted by @ and contains the following notes:

Changes in dates will be indicated following the day, with the notation C

New additions will be noted by N

Cancellations/Delays/Postponements/Withdrawals will be noted with X

An event that is on HOLD awaiting a new date will be noted with H

Events with a carat (^) following the date, are tied to other events in the immediate vicinity

Organizer alerts for congestion and camping travel densities will be noted with O

Events in GRAY may be dropped from calendar within the next few revisions, due to non-response, fading away if you will.

Organizers please check for your event dates. Contact other Organizers to resolve date conflicts "Early".

Forward this to your successor if you no longer chair the event.

PCC (Pacific Coast Challenge) TSD Series: Vanc. Island, Mainland BC, WA, OR, and CA, varying terrain/formats. In WA, "No Alibi" and "NorWester" alternate years
